

Attention: Community Leaders and Concerned Citizens:

The University of Hawaii at Manoa, College of Social Sciences - Public Policy Center is pleased to sponsor this important National Issues Forums Workshop:

Building Community through Public Deliberation

Who should attend:

Community leaders and concerned citizens that want to know how to encourage effective public dialog about community concerns and needs.

At this workshop you will:

- Learn how to moderate deliberative discussion of public issues
- Learn a process for dealing with local and community issues
- Discuss strategies for organizing and maintaining forums
- Engage in deliberation of issues with diverse citizens
- Network with others who are working toward public involvement
- Apply skills to community building in your group, town or region
